# Kodomotto Kobe

There are many places and services throughout Kobe that support child-rearing! Here are some of the initiatives that are helping to create a vibrant Kobe of the future.

## Childcare Support Website: Kodomotto KOBE

With childcare-related information such as daycare centers, subsidies and financial aid, consultation windows, and more.

※Supported languages: English/Korean/Chinese (Simplified, Traditional)/Vietnamese

Further Details

(JPN) ↑

## Indoor Play Areas:

- Parent-Child Play Areas: Parents and guardians can reach out to the staff here and consult with them about child-rearing!
- Kobekko Play Area: Furnished with large playground equipment and small toys!
- Kobekko Land: Where kids can try music, cooking, and other fun activities all day!

## Let's Play in Parks!

To support children's outdoor play, there are more and more parks where children can play with a ball and basketball hoops!

## Kodomotto Plaza: Children ages 0~18 are all welcome!

A facility where children can play freely with toys and picture books, and where parents and guardians can have childcare consultations. Babies (under 1 years old) visiting the facility for the first time will receive a lunchbox and other gifts!

## Parent-Child Read Alouds in Libraries!

With plenty of engaging books, City libraries are hosting various events for different ages, such as read-alouds or *kamishibai* (paper art storytelling)!

## Bike Parking: Supporting Families Going Out for a Stroll!

A wider bike-parking zone has been set up for bicycles with child seats. Free on Saturdays, Sundays, and holidays, for parents and children under JHS age!

※Note: Must sign up on Nobinobi Passport Plus

# School Commuting Passes Now Subsidized!

Commuter passes will be fully subsidized for students residing in Kobe City and commuting to local senior high schools (public & private) starting this fiscal year.

# Best Season for Mountain Climbing

Without proper preparation and knowledge of mountain climbing, you could be increasing your risk of accidents. Here are some tips for safe trekking!

## Tips for Safe and Comfortable Hiking:

- Take breaks, and keep yourself hydrated
- Wear protective shoes with non-slip soles
- Prepare rainwear to account for changes in weather
- Keep an accurate check on your current location, and choose appropriate routes

Download  
the app  
here ↓

## Map App: YAMAP

Find your current location and hiking route, even when your phone has no signal.

## Hiking Support Stations:

Along trails, you can find restrooms and stores that are easily accessible, even with large luggage.
